Training in Operations

REFERENCE: Memorandum for DIR from CPP, same subject,
dated 11 December 1958

1. The Office of Training will implement your request that the [REDACTED] Course be offered as a part-time training program effective with the next running which is scheduled to begin on 2 February 1959. CPW will be offered for three weeks mornings only (0830-1230 hours) in Building [REDACTED] 25X1A6d
 2. Necessary adjustments to the curriculum can be worked out to mutual satisfaction by members of our respective staffs. Preliminary arrangements for required adjustments are already underway. 25X1A14a□
 3. It is most gratifying to me to learn that you desire "to have an opportunity to screen the applications for [REDACTED] training at Headquarters to insure that we are concentrating on those people who need it most." Such a procedure has been followed for several years by the CI Staff in terms of the [REDACTED] Course and the Counterintelligence Familiarization Course and has proved to be most successful. As a matter of fact, with rare exceptions, each of these courses are over-subscribed for each presentation and the CI Staff then decides those personnel who will comprise the student body.
 4. I am similarly pleased that you intend to emphasize the need for [REDACTED] training to the Operating Divisions of the Clandestine Services. I am certain that this action on your part will result in increased interest and enrollment to the overall benefit of the Agency.
